

Fee Schedule

Co-management reference

Portal resource	Secure OD/MD referral workflow support document
-----------------	---

Use of this schedule

- This downloadable schedule is a placeholder resource for the OD/MD portal and should be replaced with the finalized approved fee schedule before launch.
- Amounts, payer rules, and co-management billing procedures must be reviewed by VES leadership and compliance counsel before publication.

Recommended fields for final schedule

- Procedure category, global period, expected return visit timing, documentation requirements, billing notes, and responsible party.
- Add effective date, revision owner, and approval date to support auditability.

For clinical questions or urgent issues, contact Visionary Eye Surgery directly. This resource does not replace clinical judgment or payer-specific billing guidance.
